

Hilton 2023 Chair Letter

Press Corps

COMMITTEE DESCRIPTION:

Welcome delegates to the Press corps committee for Hilton 2023, we are so glad you joined! This is a special committee where you will have the opportunity to write news articles based on the topics of debate in other committees at the conference. Journalists will visit various committees and take notes, which will be used for your articles. You will be expected to write a rough draft and submit it to the chairs, who will edit/publish the articles on the Press Corps publication site.

Over the course of this conference you will be expected to write 4-5 articles pertaining to debate. Afterwards, feel free to write more fun articles for your enjoyment.

Before the conference Journalists will be expected to choose 3 news outlets/publications from an internationally recognized publication and email them to the chairs. We will then tell you the publication you're representing based on the order we receive the emails. In addition, you will be expected to find 2-3 news articles from your assigned publication (it will be one of the three from the beginning) regarding current world events and choose one news article to write a 2-paragraph paper about. Please keep in mind you will have to write in your assigned publication's style for the duration of the conference. This will be due at the start of the first day of the conference via email or it can be printed and handed to the chairs.

You'll need a writing utensil and something to take notes on such as paper, sticky notes, etc. for the day of conference. Computers will be provided for all Journalists. Feel free to reach out with any questions!
