

# Hilton 2022 Chair Letter

## Press Corps

### Committee Description:

In Press Corps, delegates are given a unique opportunity to act as journalists reporting on the activities of various committees around the conference. Journalists will report on a minimum of five different committees of their choice, after which they are welcome to write less serious articles for fun.

While visiting committees, journalists are expected to take notes in order to write accurate articles. Journalists will submit rough drafts of their articles to the chairs, who will edit and publish articles to a joint publication of all the articles written by all the journalists through both days of committee.

Please email us prior to the conference a list of three preferred news publications. We would like to represent perspectives from around the world, so please refrain from choosing news publications based in the United States. You will be encouraged, but not required to write from the perspective of your publication, so we encourage you to read a few articles from your preferred news publications prior to committee.

Also, please don't forget to bring a writing utensil and paper (or a laptop) to committee in order to take notes. Computers will be provided, so laptops are not required.

While different from typical committees, Press Corps is an exciting committee, especially for delegates who love writing. We encourage you to sign up, and are so excited to see you all at committee!

### ABOUT US:

My name is Joel Snyder, and this is my first time chairing for Model UN, but my fourth year in MUN and second year in Press Corps. I am a senior at Pittsford Sutherland High School where I am involved in Interact Club, Science Olympiad, Masterminds, Latin Club, and a few others. Outside of school, my favorite hobbies are reading and learning/tutoring math! I can't wait to meet you all and to have a wonderful committee!

Hi everyone! My name is Cole Gould and I'm a junior at Fairport High School. This is my second year participating in Model UN and my first time ever chairing. Besides being the treasurer of Fairport's Model UN club, I'm also class treasurer, VP of French National Honors Society, and participate in a couple of other clubs such as Math Team and (occasionally) Drama Club. I also speak French and will be spending a semester on exchange in France later this year! I'm so excited to meet you all and looking forward to a great conference!
